- **Additional:** One Level, Pre-Installed Air Conditioning

Fantastic New Development in a Desirable Location

Fortis CBS is proud to introduce this selection of pre-construction apartments in El Madroñal, Costa Adeje to the Tenerife property market.

El Madroñal de Fañabé is the extremely desirable level area, just over the TF1 motorway from the beaches, shopping malls, bars and restaurants of Fañabé and Costa Adeje, all of which are within fifteen to twenty minutes walk away. Playa de las Americas and Los Cristianos are a five minute drive away and the Tenerife South airport is about twenty minutes by car. In addition to the aforementioned facilities, there is a fantastic municipal park and sports facility, a tennis club, a health spa and many more high quality small businesses in El Madroñal de Fañabé plus within five minutes' walk, you can find the Gran Sur Shopping and Cinema Mall, with shops, eateries, supermarket and multi-screen cinema. This area really does have it all!

This fantastic new development is named "Atlantic Homes" and will be offered in two phases and promises to be an attractive development of 1,2 and 3 bedroom apartments, 67 properties in total set over three floors and centred around a beautiful heated pool and sun tropical gardens. Each apartment will include allocated parking in the subterranean communal garage and a private storeroom. Construction is underway and phase one is due for completion in January 2025 with phase two following in July 2025.

These two bedroom properties have been thoughtfully configured to make the most of the light and the views in the main living spaces. The large lounge / kitchen / dining room and all bedrooms have been positioned at the front of the property ensuring they are bright and enjoy direct access onto the private balconies or terraces overlooking the pool, gardens, mountains or out to sea, depending upon position. The kitchen will be of a clean, contemporary design, featuring Bosch or equivalent quality appliances and compact quartz worktops and the properties will also benefit from a separate utility room. The master bedroom will have fitted wardrobes and an en-suite shower room with rainwater shower-head, while the second bedroom also has fitted wardrobes and an adjacent separate bathroom.

Reserve your ideal apartment in Atlantic Homes now with just a 1% deposit, followed by more stage payments totalling 50% (+ IGIC) and the final 50% (+IGIC) balance will become payable upon completion in 2025.
