Playa de las Americas and Los Cristianos are a five minute drive away and the Tenerife South airport is about twenty minutes by car. In addition to the aforementioned facilities, there is a fantastic municipal park and sports facility, a tennis club, a health spa and many more high quality small businesses in El Madroñal de Fañabé plus within five minutes' walk, you can find the X Sur Shopping and Cinema Mall, with shops, eateries, supermarket and multi-screen cinema. This area really does have it all!

This superb new development, named "Atlantic Homes", will be offered in two phases and promises to be an attractive development of 1,2 and 3 bedroom apartments, 67 properties in total, set over three floors and centred around a beautiful heated pool and sun tropical gardens. Each apartment will include allocated parking in the subterranean communal garage and a private storeroom. Construction is now completed.

This fantastic re-sale property is located on the top floor, thoughtfully configured to make the most of the light and the views in the main living spaces. The large lounge / kitchen / dining room and all bedrooms have been positioned at the front of the property ensuring they are bright and enjoy direct access onto the private 21m² terrace offering lateral sea views and a spiral staircase leading to the private 21m² roof terrace boasting 360° views to the mountain, ocean and the neighbouring island of La Gomera. The kitchen will be of a clean, contemporary design, featuring Bosch or equivalent quality appliances and compact quartz worktops and the property will also benefit from a separate utility room. The master bedroom will have fitted wardrobes and an en-suite shower room with rainwater shower, while the second bedroom also has fitted wardrobes with a guest shower room adjacent.

In summary a fantastic penthouse property in a desirable location and now reduced by 40,000€ ! It would make a great family home close to the International Costa Adeje school or the perfect holiday home.
