15 Studio Apartments

15 on-suite apartments for sale in the Torres del Sol complex in Los Cristianos. This project is ideally suited to a builder as all the apartments are in need of refurbishment and take up the whole of one floor. Some apartments have magnificent sea views which are absolutely breathtaking and offer the best views you could ever hope to see. All the on-suite apartments are being sold together. The complex has 2 swimming pools, bar, restaurant and a basketball court. These studios are ideally suited for holiday rentals and in the past have rented out superbly. The complex is a 2 minute walk to the beach and a 5 minute walk to the safari centre. A fantastic opportunity for someone with a bit of vision.
